

## A Heart Like His: Intimate Reflections on the Life of David

We all go through times when we feel insignificant or times when we feel certain that we have experienced a degree of failure from which there is no return. This is not a reality we experience alone, but is one that a man after Gods heart experienced as well. From shepherd, to refugee, to king of Israel, David exhibited the purest virtues and the most heinous sinfulness, but through it all his relationship with the Lord continued to grow. A Heart Like His looks at this bond of mutual love and admiration between a man who was not unlike any of us and the one true God who is all good and all powerful. Beth Moore walks us through an exploration of Davids incredible life, drawing spiritual insights from a man who boldly fulfilled his divine destiny not merely by what he did, but who he loved and served. Bringing lessons from Davids life to bear on your own, this picture of a man who loved and followed God will help you to serve with a heart focused on Him no matter the circumstance. Available here for the first time in trade paper, this new edition also features an excerpt from Moores David: Seeking a Heart Like His Bible study.
