

## David and Goliath: Underdogs, Misfits and the Art of Battling Giants

David and Goliath is the dazzling and provocative new book from Malcolm Gladwell, no.1 bestselling author of *The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*. Why do underdogs succeed so much more than we expect? How do the weak outsmart the strong? In *David and Goliath* Malcolm Gladwell takes us on a scintillating and surprising journey through the hidden dynamics that shape the balance of power between the small and the mighty. From the conflicts in Northern Ireland, through the tactics of civil rights leaders and the problem of privilege, Gladwell demonstrates how we misunderstand the true meaning of advantage and disadvantage. When does a traumatic childhood work in someones favour? How can a disability leave someone better off? And do you really want your child to go to the best school he or she can get into? *David and Goliath* draws on the stories of remarkable underdogs, history, science, psychology and on Malcolm Gladwells unparalleled ability to make the connections others miss. Its a brilliant, illuminating book that overturns conventional thinking about power and advantage. A global phenomenon... there is, it seems, no subject over which he cannot scatter some magic dust Observer
