

Fatal Image (The Secrets of Stoneley)

From the desk of Bianca Blanchard Everything I was raised to believe has been a lie! The photo Leo Santiago gave me of our mothers togetherdated a week after my mothers deathand my fathers evasions set my legal mind racing, so I hired a detective to investigate my mothers long-ago accident. Turns out shes alive! Ive been so thankful for Leo, who has been incredibly supportive. He works for my father, so catering to the bosss daughter is part of his job, but the looks this handsome man gives me make me think theres more to our relationship than business.
