

Deadly Politics (A Taci Andrews Mystery) (The Deadly Series) (Volume 3)

Investigative reporter Taci Andrews is back in this explosive third book of the Deadly series. Its election time in the town of Riverdale, Iowa, and the mayoral candidates are heating up, along with Taci's love life. Her relationship with Fireman Tony Parsons is off to a rocky start when a shocking secret is revealed, throwing a monkey wrench in Taci's hopes for a normal relationship. To help further complicate things, Taci picks up a story that touches perilously close to a dangerous group in town and manages to draw their unwanted attention. A dangerous motorcycle gang, an armored truck robbery, and an explosive mayoral debate keep Taci and Tony on their toes up until the very end. Can they stay on track to fill in the missing pieces of this political puzzle, or will their voters registration cards be revoked?
