

Dearest Stepbrother: Double Trouble - Oh Baby... (Book Two)

New Follow Up Series to the best selling series, Dearest Stepbrother - Double Trouble. *These books are to be read after Stepbrother Dearest - Double Trouble Books 1 through 4, Double Trouble Easter Eggs, Double Trouble After College Books 1 - 4, and Double Trouble Baby Makes Four Books 1-4.* Since the first day she could remember, Kelly had been picked on by identical twins, Alex and Asher. They followed her through every school year, tormenting her as much as they could until they were re-zoned for different high schools. Kelly was ecstatic that she would no longer see them at school and looked forward to a happy last four years. During the summer, Kelly's mom tells her that she is dating a new man and they're taking a family vacation. As it turned out, the man her mother was dating was the father of the evil twins. When their parents married her mother, the twins picked on her more, constantly teasing their new stepsister. Three days after her eighteenth birthday, and on Homecoming night, an event happens that changes everything between them and Kelly learns that there's more to the twins than meets the eye.
