

Death Echo (St. Kilda Book 5)

Elizabeth Lowell has long set a standard of excellence for thrillers that never stint on either romance or suspense. BookPage New York Times bestselling author Elizabeth Lowell cuts a razor-sharp new edge in romantic suspense with *Death Echo*, a thrilling tale of passion, danger, and international intrigue. A breakneck-paced novel that unites a beautiful former CIA agent with a tough and haunted ex-Special Forces operative, *Death Echo* is a top-rank thriller in the vein of Iris Johansen, Tami Hoag, and Lisa Gardner and a dazzling example of the superior storytelling that inspired author Jayne Ann Krentz to declare, "I'll buy anything with Elizabeth Lowell's name on it."
