

Death, Taxes, and Green Tea Ice Cream (A Tara Holloway Novel Book 6)

Fired. Tara Holloway can't believe it. After all she's done for the IRS, a few too many shots fired from her weapon and suddenly she's public enemy number one. To add insult to injury, another agent has replaced her, and a ten-million-dollar assault case is hanging over her head. So much for traveling to Tokyo with Special Agent Nick Pratt, former partner and current boyfriend. Tara's stuck in Texas, and using green tea ice cream to soothe her disappointment, as well as the terrifying prospect of a life behind bars. Tara's former boss, Lu the Lobo Loboinski, has a plan to stick Tara in auditing, where she can't possibly get into trouble. But between bumping into a college frenemy whose family business is under audit, Tara's stubborn determination to keep an eye on Nick behind the scenes, and her new long-range rifle, she's about to get a taste of just how dangerous her life can be, in *Death, Taxes, and Green Tea Ice Cream* from Diane Kelly
