

## Debbie Macomber CD Collection: Susannahs Garden, Back on Blossom Street, Twenty Wishes

Susannahs Garden: When Susannah Nelson turned eighteen, her parents sent her to school abroad. She said goodbye to her boyfriend, Jake, and never saw him again. Now, at fifty, she finds herself regretting the paths not taken. Especially the chance to be with Jake. In returning to her hometown of Colville, Washington, to her parents house, her girlhood friends and the garden she always loved, she also returns to the past and the choices she made back then. Back on Blossom Street: There's a new shop on Seattle's Blossom Street—a flower store called Susannahs Garden, right next door to A Good Yarn. Susannah Nelson, the owner, has just hired a young widow named Colette Blake. A couple of months earlier, Colette had abruptly quit her previous job after a brief affair with her boss. To her dismay, he suddenly began placing weekly orders for flower arrangements! Twenty Wishes: Anne Marie Roche wants to find happiness again. At thirty-eight, her life is not what she expected—she's childless, a recent widow, alone. She owns a successful bookstore on Seattle's Blossom Street, but despite her accomplishments, there's a feeling of emptiness. On Valentine's Day, Anne Marie and several other widows get together to celebrate what? Hope, possibility, the future. They each begin a list of twenty wishes, things they always wanted to do but never did. Anne Marie begins to act on her wishes, and when she volunteers at a local school, an eight-year-old girl named Ellen enters her life.
