

Defying the Prince (The Santina Crown Book 5)

It was a night filled with scandal, but pop princess Izzy Jackson really took the crown! Royal and VIP guests were reportedly horrified at the singer and reality-TV stars impromptu performance at her sisters royal engagement party. It was left to Prince Matteo, second in line to the throne, to whisk tipsy starlet Izzy offstage, into his limo and straight to his luxury palazzofrom which the pair havent emerged. Rumor has it the proud prince and the footballers daughter are working on a charity concert. Will they make sweet music together or split, citing irreconcilable artistic differences?
