

## Decorating Schemes (Deadly Decor Mysteries Book #2)

Design job? Check. General contractor/sparring partner? Check. Dead body, mystery to solve, and guilty suspicion? Check, check, and check. Haley Farrell is getting her life under control. She's got a great design business, a successful auction house, and loving friends and family. But finding a dead girl on the patio is not a good way to start a decorating job--especially when your general contractor is the main suspect. And the body is only the beginning. Always curious and always in trouble, Haley sets out to solve the crime. Even though she finds Dutch Merrill infuriating, she can't believe he's involved. But with the karate chop cop, Lila Tsu, watching every move and the neighborhood Jessica Fletcher constantly under foot, will Haley be able to free Dutch? Or will she paint herself into a very dangerous corner--with a murderer lying in wait? Ginny Aiken has a beautiful ability to mingle comedy with tragedy, making the reader laugh and cry almost in the same breath.-Hannah Alexander, author, Last Resort and Note of Peril  
Ginny Aiken is the author of more than twenty books, including the Silver Hills Trilogy, a historical fiction series. Born in Cuba and raised in Venezuela, Ginny is a frequent speaker at women's events and writers conferences.
