

Desire Series (Submissive Romance) Complete Collection

Here, presented in one volume, are the four stories that comprise the Desire series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Desire Book 1: Loves Lessons Sandra Eckhart is a woman who is used to being alone. Raised on the same college campus she now teaches on she is hardly the type of woman to have a one-night stand at a writers conference, but that is what she does. Connor Beaumont is a rich and talented writer who has no plans to settle down, his late wife was the woman who understood the turbulent and dark passions that drive him and he had never met anyone else who did, until Sandra. Can they teach other how to live and love again? Desire Book 2: Loves Discipline Sandra was not planning on ever seeing Connor again. Not after the first night they spent together. But his residency at her college at first shocking, has now taken a turn for the worse as she begins to see the darker side of him. What scares her most is the darker side he is bringing out in herself. What will Connor be able to teach her? And what lessons will Sandra and Connor be unable to learn? Desire Book 3: Loves Trust Sandra knows she has strong feelings for Connor, but not just how strong are they? With Christmas break fast approaching and Connor determined to charm her into visiting his home in Maine for the holidays, Sandra finds herself fighting against the bonds of tradition and her own fear, bonds she must break through or risk losing Connor forever. Desire Book 4: Loves Desire Connor is ecstatic to have Sandra in Maine and she is just as happy to be there but the scars of the past still keep her a prisoner of her fear, until she learns a secret about her father that allows her to let go once and for all.
