

Directed Verdict

In Saudi Arabia, two American missionaries are targeted by the infamous religious police Muttawa. The man is tortured and killed; his wife arrested on trumped-up charges before being deported to the United States. Compelled by the injustice of her plight, young attorney Brad Carlson files an unprecedented civil rights suit against Saudi Arabia and the ruthless head of the Muttawa. But the suit unleashes powerful forces that will stop at nothing to vindicate the Arabian kingdom. Witnesses are intimidated and some disappear; jurors are bribed; and a member of Brad's own team may be attempting to sabotage the case. As Brad navigates a maze of treachery and deception, he must gamble his case, his career, and the lives of those he loves on his ability to bring justice to one family, challenge the religious intolerance of a nation, and alter the course of international law. Directed Verdict is a Christy Award-winning novel.
