

## Dirty

Marielle Fairchild became the envy of all her friends when she lands a job as a directors assistant for Fascination, rumored to be the most explosive romance movie of the decade. And the world is dying to see the return of mega movie star James Raven. On the first day however Marielle is put on the spot innocently mistaking put on the spot Raven disguised as one of the crew. When he requests she help him rehearse his role Marielle cant refuse, but can she remain professional while talking through intimate scenes with the sexiest man alive? And when Raven takes the definition of performance to another level - will his need to dominate his new lover drive the innocent Marielle away? This series is a contemporary romance featuring searing and graphic depictions of romantic activity.
