

Heart of a Lion: M/M Shifter Mpreg Steamy Short Story Romance

Jesse does not want J.D. J.D is smug. He is arrogant. And everyone else wants him. They can have him. He wont dream about him anymore. He wont pretend that things are the way they used to be. Everything has changed. Sometimes, he hates him. Sometimes, he misses him. Mostly, he tries to pretend he isnt there. When the rest of the Pride turns against his former friend, he has to make a choice. Does he believe him? Does he forgive him. Or has he been wrong all along. Is he the one that needs forgiveness? And if they are destined to be together, is the choice even theirs to make?
