

## Disco for the Departed (Dr. Siri Mysteries Book 3)

Dr Siri Paiboun, reluctant national coroner of the Peoples Democratic Republic of Laos, is summoned to a remote location in the mountains of Huaphan Province, where for years the leaders of the current government had hidden out in caves, waiting to assume power. Now, as a major celebration of the new regime is scheduled to take place, an arm is found protruding from the concrete walk that had been laid from the Presidents former cave hideout to his new house beneath the cliffs. Dr Siri is ordered to supervise the disinterment of the body attached to the arm, identify the corpse, and discover how he died. From the Hardcover edition.
