

## Disguised Blessings (Sins and Virtues Book 1)

Jaxon Briscoe has enjoyed a decade as the beloved star center of the Chicago Blackhawks. But off the ice, a string of reckless relationships has resulted in an accusation that he's fathered a child. As Jaxon's conscience is tossed into a firestorm, he learns his nephew, Grayson, has been expelled from school, and Jax is blindsided when Gray shows up on his doorstep for good. Adrienne Price carries a heavy secret: pregnant at a young age, she gave up her daughter for adoption in the hopes that the child might have a better life. Now, Adrienne vowed to help teens rise above unsavory situations. As a result of God's grace, her project, Second Chances Day School, has prospered beyond her wildest imagination. But when Jaxon's troubled nephew enrolls at Second Chances, Adrienne is faced with a big challenge in the form of a hockey player with a bad reputation and a lot of boyish charm. Can Adrienne and Jax finally find real love?
