

More Ramblings of a Rustic Copper (The Ramblings of a Rustic Copper Book 2)

Brian Wood, a now retired Police Sergeant from the Thames Valley Police, recaps some of his humorous and occasionally serious encounters during his 30 years in the force. Finally, the second book, sorry its taken so long to publish, I hope you will enjoy this one as much as the first. It is a pleasure to retell these tales, and many have bought back fond memories of friends and colleagues and a few rogues that I have met along the way. Comments on previous book: - Outstanding insight into community policing. - This was what good coppers did. - Interesting read.
