

Grave Matters (A Lord Danvers Mystery) (The Lord Danvers Mysteries Book 2)

Grave robbing! Body snatching! What dreadful thoughts to surround a couple on their honeymoon. But only two days before their wedding, Lady Antonia Hoover and Lord Charles Danvers discover a body murder victim that points them toward a mystery filled with hatred, vengeance, and death. Antonia and Charles spend their honeymoon in Scotland, seeing the sights and lending support to Charles' cousin Gilchrist, the prime suspect in the murder case. As the mystery unfolds, Antonia's fright increases. The case keeps pointing to the dark history of the resurrectionists, the grave robbers who sold bodies to anatomy professors in the late 18th century. How is Gilchrist involved in this murder? And what hidden family secret is Antonia about to discover?
