

A Taste Of Sin (Donovan Brothers Book 2)

When Dr. Kelly Sullivan comes back to her small home town to run her ailing fathers bar, she couldnt be more thrilled to run into her high school crush, Nick Donovan. Back then she was too young and too bookish to catch his eye. But now shes all grown up... and Nick has noticed. When Nick Donovan sees Kelly Sullivan serving drinks at his favorite bar, he cant help but notice how much shes changed since high school. Soon he falls in lust - and love. Kelly is beautiful, super-smart, utterly sensual, and most definitely his kind of woman...in and out of bed. But will long nights of passion be enough to convince a big city doctor like Kelly that a hometown crush is the man for her?
