

Up To Me (Bad Boys Series)

From New York Times bestselling M. Leighton comes the scorching sequel to DOWN TO YOU. For Olivia, romantic bliss has never felt so right as it has with Cash. Unpredictable, except when it comes to satisfying her desires, Cash's bad boy reputation is well-earned, but he's turning his life around with the one woman who accepts him for who he is. Until strangers from the past turn Olivia and Cash's world upside down. What they want is something only Cash can give them. And if he doesn't deliver, then they're taking the one thing that Cash values the most... Olivia always knew that falling for Cash meant she was likely to get burned. But this new threat is beyond anything she imagined. Now she has to trust Cash with her life - and for Olivia, that's much easier than letting go and trusting him with her heart. If Sylvia Day, Samantha Young and Jamie McGuire captured your attention, UP TO ME will have your imagination running wild.
