

But If Not, Vol. 3: Coping With Personal Tragedy

Like Shadrach, Meshach, and Abed-nego of old, many of us will face challenges and trials that will test our characters. We can have faith that God will deliver us from our trials, but sometimes we must learn that God's hands are most often present to sustain and comfort us in our suffering rather than to remove trials and adversity from our lives. Dennis and Joyce Ashton, experts in the field of recovery from grief and loss, will help you or those you love to endure the various unexpected loss that may come your way. You will learn what is necessary to overcome adversity and have the faith to say, God will deliver me, but if not... But If Not, Volume III serves as a lifeline for those who feel powerless against their trials. Through lessons, techniques, and spiritual insights, Joyce and Dennis Ashton will help to ease your suffering and guide you toward finding meaning in your loss.
