

## A Place Beyond: Finding Home in Arctic Alaska

In *A Place Beyond*, Nick Jans leads us into his found home the Eskimo village of Ambler, Alaska, and the vast wilderness around it. In his powerful essays, the rhythms of daily arctic life blend with high adventure camping among wolves, traveling with Inupiat hunters, witnessing the Kobuk River at breakup. The poignancy of a village funeral comes to life, hordes of mosquitoes whine against a tent, a grizzly stands etched against the snow just a sampling of the images and events rendered in Jans transparent, visual prose. Moments of humor are offset by haunting insights, and by thoughtful reflections on contemporary Inupiat culture, making *A Place Beyond* a book to savor.
