Alphas Caress [Siren Everlasting Classic ManLove: Erotic Alternative Futuristic Paranormal Romance, M/M, shape-shifters, HEA] I should have kept my big mouth shut. That's all Sari Thorne can think as he's escorted to a hotel in protective custody after witnessing a murder. Before he can testify, though, someone is sent to eliminate Sari. He flees and finds safety with a handsome man who changes his life in ways he never could have dreamed. Alpha Maxwell Consenza is at the hotel for a meeting when he notices a man being escorted inside by three guards, a man who bears the unmistakable mark of a Chekota Breeder. Max doesn't think twice about helping Sari escape. He takes the man to his home in the Yosemite forest, where he tries to convince Sari that it's his destiny to help carry on the race of gifted panther shifters. Sari thinks Max is insane. But when danger follows Sari to the forest, Max must keep Sari safe while helping him come to terms with his destiny, and what it means to be caressed by an alpha. \*\* Craving His Embrace [Siren Everlasting Classic ManLove: Erotic Alternative Futuristic Paranormal Romance, M/M, shape-shifters, HEA] Trevor has the worst taste in men. So when he spots a hot guy at one of his tables, Trevor hesitates talking to the man. But a little flirting never hurt anyone. So Trevor thought. When Jordan invites him back to his hotel room, Trevor shows up and gets more than he bargained for. Jordan Roderick is in Hawaii on a business trip but can't resist the tasty little waiter. The guy flips every trigger Jordan possesses. He is drawn to Trevor in ways he never thought possible. Unfortunately, Jordan realizes that Trevor is a Chekota Breeder after two nights of blissful passion. The two must flee in order to keep Jordan from being killed and Trevor from being kidnapped. But when Trevor is hauled away by two henchmen, Jordan must call on a friend in order to save the man who

just might be carrying his child. \*\* A Siren
