

Ricochet: Tender Mysteries Series, Book Five

The Tender Mysteries Series of Inspirational American Historical Romance: After a flood annihilates a wagon train in 1888, eleven female survivors build a life in Hope, Nebraska. RICOCHET, Book Five of the Tender Mysteries Series The Countryside Outside Fremont, Nebraska Was that a woman lying near the river? Or just her clothes? Emile shaded his eyes from the morning sun and leaned back in his saddle. Sitting astride his golden palomino, sixty yards from the Platte River, he saw a brown and white pinto grazing on lush summer grass not far from what looked like a womans yellow dress lying near the river. * * * August, 1896. After searching for his fathers killer for five years, Emile Hausman thinks hes finally found the thieving brute. Just when hes about to get justice, Bonnie enters his life. Shes hurt; shes alone...and she doesnt remember who she is. Emile sets aside his need for justice, and, as he nurses the lovely Bonnie back to health, he falls deeply in love. Emile and Bonnie are blissfully happy until horrific secrets from Bonnies past throw them into a world so dark only true love can ensure their survival.
