SEA SWEPT A champion boat racer, Cameron Quinn traveled the world. But when his dying father calls him home to care for Seth, a troubled young boy not unlike Cameron once was, his life changes overnight... In the end, a social worker, as tough as she is beautiful, will decide Seth's fate. **RISING TIDES** Ethan Quinn is determined to make the family boatbuilding business a success. But amidst his achievements lie the most important challenges of his life. There is young Seth, who needs him more than ever. And a woman he has always loved but never believed he could have. **INNER HARBOR** Phillip Quinn has the scars from his own rough and tumble childhood on the streets of Boston. Now a high-powered advertising executive, he figures he's found his perfect match in educated, cultured Sybill. And when he discovers she has a family connection to young Seth, they join forces to secure the boy's future. **CHESAPEAKE BLUE** Now a grown man returning from Europe as a successful painter, Seth Quinn is settling down on Maryland's Eastern Shore. Still, a lot has changed in St. Christopher - and the most intriguing change of all is the presence of Dru Whitcomb Banks. But a secret Seth's kept hidden for years threatens to explode, destroying his new life and his new love...
