Sometimes the most passionate heat resides behind walls of ice Dorian West puts down the bottle when a request comes in from a man he respects more than anything to help find a woman running scared. Agreeing, he discovers, she is one he could spend a lifetime getting to know and still not unearth all her secrets. Hard to when she hides behind an icy demeanor. He does have one way to get her to thaw out Sakharre Myers is on the run. Her brother plays on defense for the Miami Thunder and she is tired of being used to get closer to him. After one relationship turns dangerous, she hightails it out of Miami.
