

Drive Your Destiny: The Secret Key to Your Renewal - Vol. 4

The Drive Your Destiny Mini Book Series was written by Dr. LaVerne Adams to help you to define your destiny, maximize your potential, and live the life you dream about. The foreword is written by Rick Warren and includes 12 Secret Keys to Unlock Your Future. This book reveals the keys to identifying goals to achieving success during challenging times. It shows how you can be driven toward your destiny with passion and conviction making it easier to rebound through difficult seasons. The Drive Your Destiny mini-book series inspires readers to overcome feelings of confusion and frustration while navigating their own unique destiny road map. Each power packed mini-book helps to answer the questions of why life may not be working while offering solutions to ensure success while traveling life's journey. With this powerful resource, Dr. Adams engages you in an interactive life coaching process that enables you to take the first step of an in-depth review of the recurring themes in their life. For those who may have taken a destiny detour and feel a little off track, these books help to guide you toward the reward of the fulfillment of your deepest desires. Testimonials report a renewed sense of hope, direction, and vision with many successfully recovering from detrimentally life-altering experiences. Readers of these books are sure to see immediate results allowing you to see the possibilities that awaken your potential. Be sure to get the entire series and see a dynamic shift in every area of your life.
