

Down Home and Deadly (Sleuthing Sisters Mysteries Book 3)

DEATH FOR DESSERT When Jenna Stafford quits her dead-end job to help her sister Carly open a diner, she may have jumped from the frying pan into the fire. Even though business is really cooking, last time the sisters checked, murder was NOT on the menu. So whos the dead guy out back? And why are there more cops on the scene than there are paying customers? Can Jenna and Carly sort out their scrambled love lives and still find the missing ingredient in time to solve the crime before their goose is cooked?
