

Double Exposure (The Justice Agency Book 1)

Photographer Jennie Buchanan unknowingly captures a drug-cartel meeting on film. And now she has become a killers next target. Even worse, her only protection from the danger that threatens her life is the man who threatens her heart. Dodging bullets almost seems safer than facing the feelings stirred up by seeing former FBI agent and ex-boyfriend Ethan Justice again. Ethan vows to safeguard Jennie from the deadly men on her trail. And for a second chance at Jennies love, hes willing to risk anything to expose the truthabout the drug smugglers, the past and the future together he still wants.
