

The Death of Innocence : The Untold Story of JonBenets Murder and How Its Exploitation Compromised the Pursuit of Truth

Since the murder of their daughter on Christmas night, 1996, John and Patsy Ramsey have lived a nightmare of grief, fear, and persecution. Throughout the onslaught, they have remained quiet, patiently trusting that the focus would finally turn to finding the person who committed this heinous crime. The Death of Innocence contradicts the myths, half-truths, and outright lies that have been published as fact in this tragic case. It also tells of the Ramseys faith in God, their trust that He is in control, and their relationship with Him that has seen them through this tortuous ordeal. From the people who have lived it, this is the entire story for the first time—from the inside out.
