

Procrastination Cure: Stop Finding Excuses and Get What You Want in Life

DISCOVER: How to Stop Procrastinating and Get Stuff Done We have all done it at one point or another. More or less frequently, we put off something we could do today. Call it being lazy, slacking off, or, as economist George Ainslie calls it basic human impulse. Yes, were talking about procrastination. But what is procrastination exactly? Is procrastination something that inevitable in human nature? Well, heres the truth: everyone falls into the trap of procrastination. Its a general weakness, and a costly one at that. Procrastination is basically the gap between the things you want to do and the things you end up doing. Heres The Good News, Though: You Dont HAVE To Be a Procrastinator Heres what youll discover in Procrastination Cure: You will learn about the different reasons why we become procrastinators. You will find out if YOU are a procrastinator, and if you are which kind of procrastinator you are (very important). You will learn about the consequences of procrastination (aka what youll miss in life when you continue procrastinating). You will learn about the most common excuses we have for procrastinating. You will learn about the classic causes of procrastination. And, most importantly, you will learn how to cure procrastination, stop finding excuses and get what you really want in life. And by the way: thats just the first 3 chapters. Sounds good? Seriously, there is absolutely no reason you should be stuck with this kind of attitude for your entire life. You have a choice. Take responsibility. Be in charge of your life. Stop procrastinating. Now.
