

Elementary Forms Of The Religious Life: Newly Translated By Karen E. Fields

Karen Fields has given us a splendid new translation of the greatest work of sociology ever written, one we will not be embarrassed to assign to our students. In addition she has written a brilliant and profound introduction. The publication of this translation is an occasion for general celebration, for a veritable collective effervescence.-- Robert N. Bellah Co-author of *Habits of the Heart*, and editor of *Emile Durkheim on Morality and Society* This superb new translation finally allows non-French speaking American readers fully to appreciate Durkheim's genius. It is a labor of love for which all scholars must be grateful.--Lewis A. Coser
