

## The Carpenter and The Actor (Ellery Mountain Book 3)

Ellery Mountain: Ellery Mountain series of books set in the town of Ellery in the Smoky Mountains and based around the Ellery Mountain Fridays. Finn, Daniel and Kieran meet up every Friday and have something in common they are all navigating the barren landscape of being gay in a small town. These are the stories of Finn the cop, Daniel the ex-marine, and Kieran who hasn't quite settled on anything in particular and the men who come into their lives in the strangest ways. The Carpenter and The Actor by RJ Scott Book Three in the Ellery Mountain series. Jason is hiding and it is only when he meets Kieran that he finds home. Jason McInnery, hounded by the paparazzi after his brother's death, runs to the one place where he hopes people will not sell him out. The place where he was born. Hiding in the tourist cabins at Ellery Mountain Resort out of season he thinks he finally has room to breathe. If only Kieran Dexter, a man ten years his junior, would stop fixing stuff and generally causing ripples in Jason's calm space. RJ Scott About the Author: RJ Scott has been writing since age six, when she was made to stay in at lunchtime for an infraction involving cookies. She was told to write a story and two sides of paper about a trapped princess later, a lover of writing was born. She can mostly be found reading anything from thrillers to sci-fi to horror. However, her first real love will always be the world of romance. When writing her goal is to write stories with a heart of romance, a troubled road to reach happiness, and more than a hint of happily ever after.
