Own all three Trampled Rose Novels in one convenient bundle! *Miracles in Disguise* Since Kristina Talbot can remember, she's tried to earn the love of men in her life, only to be hurt in the process. After her abusive husband's death, she heads to New Mexico trying to get her life headed down a new road. But Nathan McKinley sets up a roadblock to her plan. His charming and gentle personality are no match for her love-starved heart. Could he be the miracle she's been praying for? *Consider the Thorns* - Raped on the eve of her high school graduation, Barbara has learned to hide the physical scars, but the emotional scars are harder to hide. When her father falls ill, she is forced to return home & face Steve, her high school crush. With his patient and steadfast love, she finds that all her weapons are useless. Now she must confront her past, or lose the one man who was able to get past thorns. *I'll Settle for Love* Leann grew up under the steady trickle of the belittling words of her mother and under the weight of a dark secret. With her self-confidence eroded, she is surprised when Mike McKinley notices her. With every kind word, Mike erases a little pain from her past, and for the first time, she feels as if she is standing on firm ground. But seven years into their marriage, she realizes that her foundation is lying on shallow ground. As their marriage and family begin to settle, the cracks appear. Can Leann fight her own insecurities, her family and her failing faith to discover the difference between settling for the storm, and striving for the rainbow that comes after?
