

Love Me Tender

Leaving behind her exciting career as a New York City fashion editor, Eden Karr - pregnant with twins - moves to small town Texas and opens a clothing boutique. Life in Arbor Glen is a far cry from the fast pace shes always thrived in, and she wonders if shes made a mistake - until sexy carpenter Jace Morgan strides into her store. One look at beautiful Eden, and Jace know hes found his woman. Trouble is, shes still yearning for New York and his roots are now firmly planted in the Texas Hill Country. Somehow, hes got to show Eden that life here with him could be rich and full, and that the growing love they share is strong enough to keep them living happily ever after. Originally published by Zebra Books, Kensington Publishing Corp.###Alison Kent, author of No Limits, a Cosmo Red Hot Read, has written over forty sexy, sassy contemporaries for Harlequin and action adventure suspense novels for Kensington. If theres a better career to be had, she doesnt want to know about it, as shes quite happy penning romantic tales from the backyard of her Texas home where she lives with her petroleum geologist husband and two rescue dogs, one a Hurricane Katrina survivor.
