

Loves Healing Touch (Mills & Boon Love Inspired)

In the middle of a busy hospital emergency room, Dr. Ana Ramirez couldn't help but notice orderly Mike Fuller's quick skills and impressive bedside manner. And, yes, his very good looks. So she proposed a simple cup of coffee to talk about his future, never expecting to find herself wishing she were a part of it. But until Fuller could talk about his past about family secrets, sacrifices and the faith that pulled him through his future was on hold. As was any relationship with Ana. Or was it?
