

## Emma And The Outlaw (The Orphan Train Trilogy Series Book 2)

Despite her unconventional upbringing -- she had been adopted off the orphan train by the local madam -- Emma Chalmers was the most prim and proper young lady in all of Whitneyville. Why, she wouldn't even permit Fulton Whitney to kiss her, and they were practically engaged! But when Steven Fairfax landed in her home, wounded in an explosion at the town's rauciest saloon, his lazy smile made Emma's blood race. Slowly, Steven stilled her fears with his gentle, insistent caresses...until at last she gave herself unashamedly to the splendid passion that was their destiny. Yet now Emma faced a new terror -- for the drifter she loved so desperately was a wanted man, and his past was about to catch up with him!
