

Empire Of Sin (Thorndike Large Print Crime Scene)

A Publishers Weekly Top 10 History Pick Empire of Sin re-creates the remarkable story of New Orleans thirty-year war against itself, pitting the city's elite better half against its powerful and long-entrenched underworld of vice, perversity, and crime. This early 20th-century battle centers on Tom Anderson, the czar of the city's Storyville vice district, who fights desperately to keep his empire intact as it faces onslaughts on all sides.
