

Slavic Sorcery: Shamanic Journey of Initiation

Until recently, few scholars were even aware that a Slavic Magickal tradition still existed. Kenneth Johnson's book presents his true-life experiences in Russia with the living practitioners of this ancient magickal discipline. It also serves as a course in authentic shamanic practices. Readers can learn about the mythology and lore of the Slavic peoples, and there is material on festivals, cosmology, the gods, Otherworld spirits, and ancestor beliefs.
