

Tears Of The Redeemed

Jake feels pain, stress and extreme loneliness when he is separated from his loving wife of eighteen years. The government takes away his freedom and after several years Jake returns to his hometown to search for the only woman that he has ever loved. Long lonely nights and days filled with empty avenues, as Jake continues searching, in a world that is changing. Even Jake's sanity is challenged as his heart is tightly drawn to the breaking point. Look into the imagination of the author and experience the new coming of the end of ages, along with a new beginning that will keep you thinking long after you have read the last word.
