

Primary Enrichment: Activities for Key Stages 1 and 2

This collection from John Senior will provide you with 91 exciting gifted and talented enrichment activities that will inspire your pupils to enjoy learning and raise their levels of achievement. Primary Enrichment is a collection of challenging enrichment activities for key stages 1 and 2, designed to inspire more children to enjoy learning, encourage curiosity and foster creativity with regard to thinking and problem solving. The activities are particularly suitable for more able children but can also be used with all pupils to enhance enjoyment and achievement. The activities in this collection will stimulate an informed debate amongst children about the application of knowledge and direction that our increasingly complex society is taking. This brand new collection will enable you to:

- *Challenge and stretch your more able pupils and allow them to prosper through achievement
- *Enrich the curriculum for all pupils with tasks that will complement and extend work done in lessons
- *Raise achievement among your pupils by encouraging the important skills of creative and critical thinking, research and curiosity
- *Enhance pupils learning experience through tasks that are both enjoyable and inspiring
- *Provide enrichment easily with ready-to-use activities you can pick up and use straight away

*Primary Enrichment contains:

- *50 First thoughts: 10-minute activities
- *27 Lesson-length activities for Key Stage 1-9
- *Lesson-length activities for Key Stage 2-5
- *Day-long enrichment and extension activities

*Each activity comes with teachers and pupils notes and the collection includes a CD-Rom containing all of the resources for ease of reproduction.
