

Reminiscences of the Cuban Revolutionary War: Authorized Edition: Authorised Edition with Corrections Made by Che Gu (Che Guevara Publishing Project)

THE BASIS OF THE MOVIE CHE: PART ONE FROM STEVEN SODERBERGH STARRING BENICIO DEL TORO The dramatic art and acute perceptiveness evident in Che Guevaras early diaries fully blossom in this highly readable and often entertaining account of the guerrilla war that led to the 1959 Cuban Revolution. Reminiscences is one of the two books for Steven Soderberghs biopic (along with The Bolivian Diary). Feature chapters describe Ches first meeting with Fidel in Mexico, the mythical moment when Che had to choose between a knapsack of medicine and another of ammunition, and the anguished story of the murdered puppy. This new, thoroughly revised edition includes for the first time corrections made to the diary by Che himself and a preface by his daughter Aleida. Reflects the life of an extraordinary and important man. Library Journal When Che Guevara cast his lot with Marxism and revolution the world of letters suffered an incalculable loss. Guevara is a brilliant, thoughtful writer. He is lucid, candid and revealing. The Cleveland Press Features of this new edition include: Preface by Aleida Guevara Revised translation Biographical note Chronology Glossary 32 pp black and white photos
