

## The Sutra of the Forty-Two Sections & The Infinite Life Sutra

THE SUTRA OF THE FORTY-TWO SECTIONS Was translated by two ordained Yuezhi monks, Kasyapa-Matanga and Dharmaraksha, in 67 CE. Because of its early date, it is regarded as the First Sutra or first formula, and is accorded a very significant status. Translated by Samuel Beal, an Oriental scholar, and the first Englishman to translate direct from the Chinese the early records of Buddhism.
