

Presumption of Guilt (Suncoast Chronicles Series #4)

Just one person can save the children from a terrifying future. But to do so, she must master her past. Beth Wright, a newspaper reporter, is hot on the trail of a story that could expose something very ugly at the St. Clair Childrens Home. Someone else is hot on Beth Wrights trailsomeone who wants to make sure her story never sees the press. Between them stands Nick Hutchins, a social worker who finds his own gut hunches about the childrens home increasingly confirmed, first by Beths investigation ... then by a high-speed attempt on her life ... and finally, by an intruders startling confession. As the drama unfolds, a horrifying picture emerges of helpless children under the sway of a modern-day Fagin. Just one person holds the key that can save them: Beth herself. But using that key could cost Beth her reputation ... if it doesnt first cost her life. Presumption of Guilt is a gripping portrayal of the depths of human evil, the soul-twisting influence of lies ... and of the liberating power of truth and the far-reaching freedom of Gods mercy and grace. Presumption of Guilt is book four in the Sun Coast Chronicles by award-winning author Terri Blackstock. From absorbing legal drama to lightning-paced action, the Sun Coast Chronicles offers suspense at its finest, tempered with remarkable realism and penetrating insights into the human heart.
