

## Suite Seduction (Suite Fantasy)

SUITE SEDUCTION Katies boyfriend treats her like a princess. But she suspects that beneath his gentlemanly manners is a wild, sexy lover waiting to get out. A trip to the Scimitar Hotel reveals both of their deepest fantasies. All three novellas feature likable characters in sensuous scenarios. What sets Maynards work apart from others in this genre is that she develops her characters and plotlines to the extent that the reader cares about what happens outside of the bedroom as well as within it.
