

Slow Play (Rules Series, Book 3)

[New Adult Fiction (Ages 18-25)]Alexandria Asher is trying to live a normal life after her parents are arrested on embezzlement charges, enrolling in college under her mothers maiden name, pretending to be someone else. Tristan Prescott is everything Alex is trying to avoid, but beautiful Alex is exactly the type of challenge that intrigues Tristan. Despite her reluctance, Alex finds herself quickly involved with Tristan. Underneath that playboy exterior is a sweet and sexy guy who she is undoubtedly falling for. What they both dont realize is the actions of Alexs parents are the reason for so much tragedy in Tristans family. When Tristan discovers who Alex and her family really are, can he forgive and forget?
