

Faith in the Night Seasons: Understanding Gods Will

In Faith in the Night Seasons, we are introduced to a side of our faith that is not widely talked about. These are the times when we sense God has removed His presence from us, when we wonder if He hears our prayers at all and when we feel totally alone. The truth is that God is still with us, we are simply experiencing a night season. What is a night season? Are night seasons part of Gods will? Are they Scriptural? Through this book you will receive deeper insights into how much God loves you and wants to have an intimate relationship with you. You will also get a glimpse into your own underlying, and often hidden, self-centered ways while learning an alternate way to deal with them.
