GAY ROMANCE from best selling author R.P. James I have quite the long, hard, veiny problem on my hands... Im traveling across the country on a bus, going to see my girlfriend Stacy who goes to school in another state. But, heres the thing- I actually feel no real attraction to Stacy whatsoever. In fact, Im secretly gay, but I was brought up in such a strict environment that Ive never really been honest with myself about it. Im mostly dating Stacy to keep up appearances more than anything, and prior to my departure I made the stupid mistake of taking a bunch of arousal medication to get me ready in case intimacy takes place when I get over to her place. Now, Im stuck with an unshakable case of erection after erection, and I feel as though theres no way for me to get around it through the remainder of the trip. That is, until a friendly, muscular stranger boards the bus and gives me something of a helping hand... *Warning: This book contains lots of HOT sex, drama and adult language. If this is not the kind of stuff you like to read, then start now and see what you have been missing ;-)

Enjoy!* A standalone GAY ROMANCE with a happy ending from best selling author R.P. James Thank you for outright purchasing or borrowing my book through the Kindle Unlimited Program. As a reward for your patronage, I am including a FREE full-length romance eBook at the end of this novel. Enjoy!
