

Family Affairs

A woman who seems to have everything comes face to face with a troublesome man from her past in this blockbuster novel by best-selling author Sandra Kitt. To the world, New York gallery owner Gayla Patton has it all: a fabulous career, a beautiful adolescent daughter, a devoted lover. But beneath the surface is a past she'd rather forget. Things start unraveling when David Kinney suddenly reappears in her life. Witness to a terrible crime, David was ten when he was brought into Gayla's childhood home. Now, after serving time in prison for a crime he insists he didn't commit, the controversial artist is stirring up dark memories... and awakening reluctant desires. As he coaxes out Gayla's deepest fantasies and her own explosive secrets, she begins to question whether people - including herself - can truly change. A tender and moving exploration of the ties that bind, *Family Affairs* is a novel about forgiving the sins of the past and finding the courage to move on.
