USA TODAY bestselling author Victoria Dahl is playing with fire in her sassy and sexy new contemporary romance series, Girls Night Out. Get a taste with this novella, Fanning the Flames. Some men are off-limits. Close friends of your ex-husband, for instance. Or firefighters who work in the same building as you. Yet despite her best judgment, librarian Lauren Foster can't help noticing fire captain Jake Davis whenever he jogs by shirtless. They've always been friends, but all it takes is one not-so-chance meeting at a local bar and one not-quite-innocent walk home to ignite a fierce, uncontrollable desire between them. Widower Jake Davis has tried to ignore the spark he feels whenever Lauren's around, but once he sees her curves in a little black dress, there's no turning back. No matter how often she says she's all wrong for him, the sexy, outspoken divorcee is driving him wild in the best possible way. Maybe she's just blowing off steam. Or maybe he can convince her to fan these flames into something deeper, hotter and truer than they ever expected.
